

### IFAR members

1. **Australia**, CSIRO - Autonomous Systems Laboratory CSIRO ICT Centre
2. **Austria**, Vienna University
3. **Belgium**, von Karman Institute for Fluid Dynamics
4. **Brazil**, IAE - Institute of Aeronautics and Space
5. **Canada**, NRC - Institute for Aerospace Research
6. **China**, CAE - Chinese Aeronautical Establishment
7. **Czech Republic**, VZLU - Aeronautical Research and Test Institute
8. **Finland**, VTT - Technical Research Centre of Finland
9. **France**, ONERA - French Aerospace Lab
10. **Germany**, DLR - German Aerospace Center
11. **Hungary**, Buda pest University of Technology and Economics
12. **India**, CSIR-NAL - National Aerospace Laboratories
13. **Italy**, CIRA - Centro Italiano Ricerche Aerospaziali
14. **Japan**, JAXA - Aerospace Exploration Agency
15. **Korea**, KARI - Korea Aerospace Research Institute
16. **Netherlands**, NLR - National Aerospace Laboratory of the Netherlands
17. **Poland**, ILOT - Polish Institute of Aviation
18. **Portugal**, CEiiA - Centre for Innovation and Creative Engineering
19. **Romania**, INCAS - National Institute of Aerospace Research "Elie Carafoli" of Romania
20. **Russia**, TsAGI - Central Aerohydrodynamics Institute of Russia
21. **South Africa**, CSIR - Council for Scientific and Industrial Research
22. **Spain**, INTA - National Institute of Aerospace Technology of Spain
23. **Sweden**, FOI - The Swedish Defence Research Agency
24. **Turkey**, METU - Middle East Technical University Ankara
25. **United Kingdom**, ATI - Aerospace Technology Institute
26. **USA**, NASA - U.S. National Aeronautics and Space Administration

**Connect and Collaborate Globally in Aviation Research –  
Join IFARLink today**

## IFAR – International Forum for Aviation Research

- World's only aviation research establishment network
- **Connects and represents** leading worldwide aerospace research organisations from 26 member nations.

### IFARlink

- Communication and database platform for the use of IFAR members and affiliated universities.

#### CONNECT with:

- researchers from the 26 member nations
- colleagues and/or mentors from the same research field
- potential employers

#### LEARN about:

- ongoing research in aeronautics around the globe
- job opportunities
- competitions/awards
- research funding

#### ENGAGE in:

- virtual conferences
- discussion groups

#### Join IFARlink

- IFAR member or already included university:  
Register at [www.ifarlink.aero](http://www.ifarlink.aero)
- New university affiliated to aviation research:  
Express interest to [info@ifarlink.aero](mailto:info@ifarlink.aero)

## IFAR

Aims on focusing on global research topics such as

- Efficiency
- Noise
- Weather
- Air traffic management
- Alternative fuels
- Future of aviation

#### and engages in:

- Education
- Information exchange
- Networking
- Cooperation
- Communication

by the development of an IFAR Framework based on the global common scientific and engineering competence.

#### Acknowledgements

The work of IFARlink is supported by DLR, NASA, JAXA, TsAGI, CAE, KARI, von Karman Institute for Fluid Dynamics and the European Commission within the project IFARs (International Forum for Aviation Research Support Action).

#### For further information on IFAR/IFARLink please contact:
